When they arrived at the town of Bethsaida, some people brought a blind man to Jesus. "Please touch him," they begged.

Jesus took the blind man by the hand and led him out of the village. Then Jesus spit on his eyes and laid his hands upon him.

"Can you see now?" asked Jesus. The man looked up and said, "I see men as if they were trees walking."

Jesus again put his hands on the man's eyes. The man focused his eyes and they were healed and he saw everything clearly.

"Go straight home," commanded Jesus. "Do not even go into the village."

Lord, help me not to give up if results are not immediate. Help me to believe until the job is done.
